Repairs & Renovations

Repairs and renovations are a necessary part of any business.

At Coolmate Rentals, we are committed to providing you with walk in cooler and walk in freezer units that help you maintain your product and help keep your business operational until the repair or renovation has been completed.

Emergency Back Up

When a commercial walk in is down due to malfunction, Coolmate Rentals can provide a temporary unit to help prevent product loss and keep your business running smoothly.

Store Renovation

If a walk in cooler or walk in freezer is in need of repair or being modified or replaced, our temporary onsite cold storage solution is ideal.

In either case, simply transfer the product until the repair or renovation is complete.
